

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Lezen' is centered over the map.

Lezen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Begrijpend lezen' is centered over the map.

**Begrijpend
lezen**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Stripboeklezen' is centered over the map.

Stripboeklezen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Racelezen' is centered over the map.

Racelezen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Nieuwsbegrip

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

**Technisch
lezen**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Bouw!

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Letterster

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Bibliotheek

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Woordenschat

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Voorlezen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Estafette

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Verjaardag

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Weekendkring

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Kring

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Kletsen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Blits

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Boekbespreking

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

**Nieuwsbegrip
XL**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

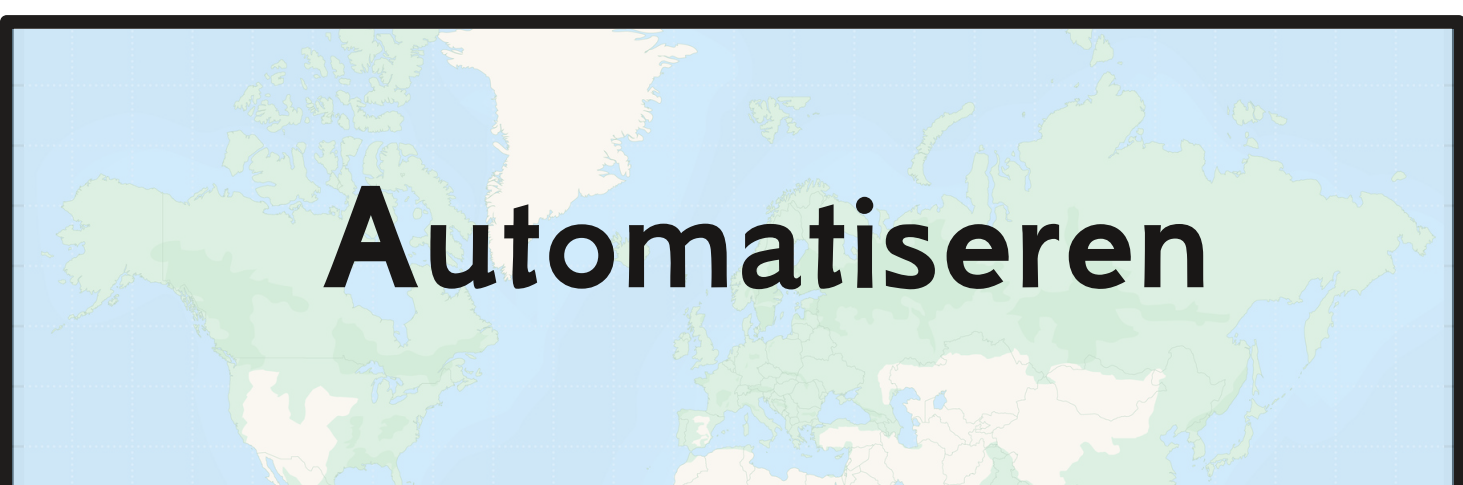

Weekend

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Rekenen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Snappet

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Automatiseren

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Naar huis

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Taal

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Spelling

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

**Werkwoord
spelling**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Dictee

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Techniek

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Geschiedenis

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Aardrijkskunde

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Natuur

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Gym

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Buitenspelen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Buitenspelen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Schrijven

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Engels" is written in a large, bold, black font, centered over the map.

Engels

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Verkeer" is written in a large, bold, black font, centered over the map.

Verkeer

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Crea" is written in a large, bold, black font, centered over the map.

Crea

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Bijbelverhaal" is written in a large, bold, black font, centered over the map.

Bijbelverhaal

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Typeworld

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Tekenen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Muziek

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

**Zelfstandig
werken**

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

**Zelfstandig
werken**

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

**Eigen
leerdoelen**

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

**Huiswerk
bespreken**

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

Groepsvorming

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Klassendienst

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Spreekbeurt

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Schoolreis

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Verrassing

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Uitstapje" is centered over the map.

Uitstapje

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Koningsspelen" is centered over the map.

Koningsspelen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Pasen" is centered over the map.

Pasen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Sinterklaas" is centered over the map.

Sinterklaas

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Kerst

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Drama

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Huiswerk

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Vrije tijd

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Koken

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Kanjertraining

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Spelletjes

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Dans

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Werk afmaken

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

CITO

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Toets

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Thema

A world map with a light blue background and green landmasses, showing the continents of North America, South America, Europe, and Asia. The map is overlaid with a grid of small dots.

**Chromebook
rekenen**

A world map with a light blue background and green landmasses, showing the continents of North America, South America, Europe, and Asia. The map is overlaid with a grid of small dots.

**Chromebook
spelling**

A world map with a light blue background and green landmasses, showing the continents of North America, South America, Europe, and Asia. The map is overlaid with a grid of small dots.

Atelier

A world map with a light blue background and green landmasses, showing the continents of North America, South America, Europe, and Asia. The map is overlaid with a grid of small dots.

Musical

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Eten & drinken" is centered over the map.

Eten & drinken

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Eten & drinken" is centered over the map.

Eten & drinken

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Lunchen" is centered over the map.

Lunchen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Pauze" is centered over the map.

Pauze

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text is centered over the map.

Bordsessie

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text is centered over the map.

Close reading

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text is centered over the map.

Kwink

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text is centered over the map.

**Studie
vaardigheden**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Taakwerk

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Grej of the day

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Presentatie

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue.

Blink

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

Stap voor stap

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

Projectonderwijs

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

Film kijken

A world map with a light blue background and green landmasses, showing the outlines of continents and major bodies of water. The map is centered on the Atlantic Ocean.

Da Vinci

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Bliksem

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

Stil lezen

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

**Hiep hiep
hoera**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, while the oceans are light blue. The map is centered on the Atlantic Ocean.

DaVinci

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Regels' is centered over the map.

Regels

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Hoe ging het vandaag?' is centered over the map.

**Hoe ging het
vandaag?**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Inloop' is centered over the map.

Inloop

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text 'Groepsvorming' is centered over the map.

Groepsvorming

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Regels

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

**Hoe ging het
vandaag?**

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Ik maak

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow.

Ik leer

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Ik kan" is centered over the map.

Ik kan

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Vak" is centered over the map.

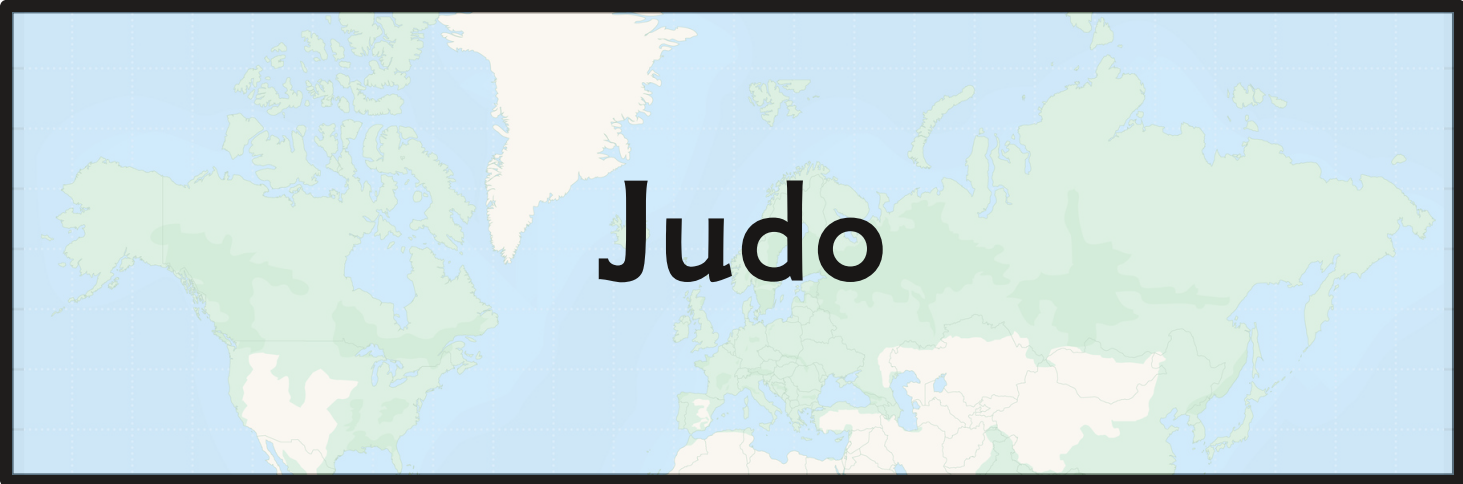

Vak

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Doel" is centered over the map.

Doel

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The text "Trefwoord" is centered over the map.

Trefwoord

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Judo" is centered over the map.

Judo

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The words "Jeugdjournaal" are centered over the map.

Jeugdjournaal

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Weektaak" is centered over the map.

Weektaak

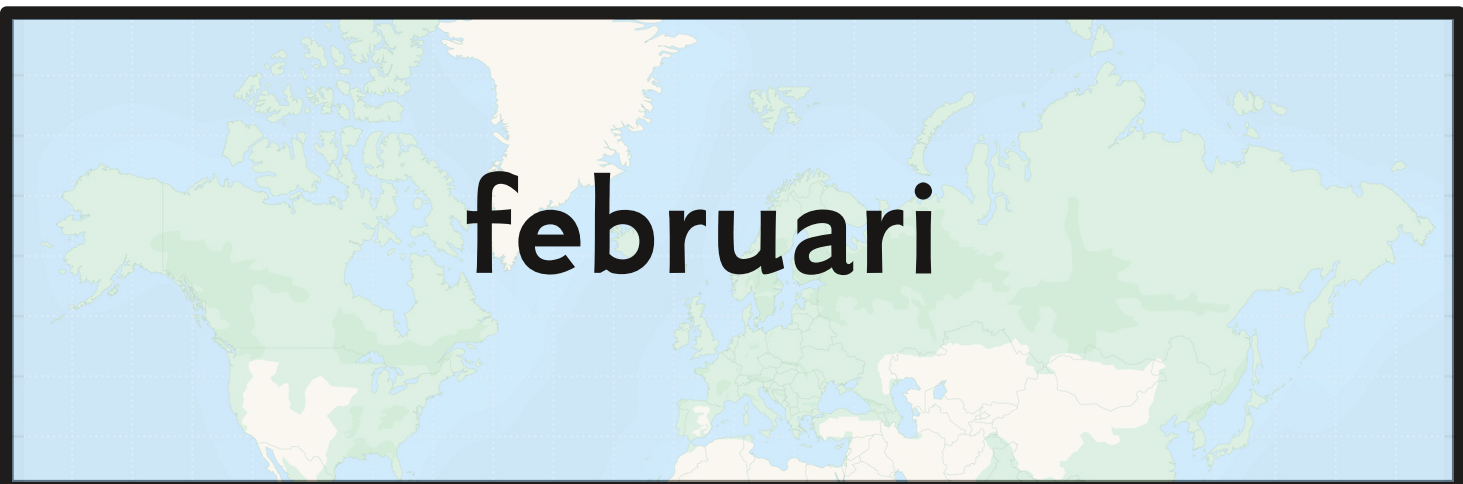

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The word "Trefwoord" is centered over the map.

Trefwoord

januari

A map of the Northern Hemisphere showing temperature distribution in January. The map uses a color scale from light green (warmer) to light orange (colder). The word 'januari' is centered over the North Atlantic. The map shows a clear temperature gradient from the equator towards the poles, with the coldest temperatures in the Arctic region.

februari

A map of the Northern Hemisphere showing temperature distribution in February. The map uses a color scale from light green (warmer) to light orange (colder). The word 'februari' is centered over the North Atlantic. The temperature distribution is similar to January but slightly warmer overall.

maart

A map of the Northern Hemisphere showing temperature distribution in March. The map uses a color scale from light green (warmer) to light orange (colder). The word 'maart' is centered over the North Atlantic. The temperature distribution is similar to February but slightly warmer overall.

april

A map of the Northern Hemisphere showing temperature distribution in April. The map uses a color scale from light green (warmer) to light orange (colder). The word 'april' is centered over the North Atlantic. The temperature distribution is similar to March but slightly warmer overall.

mei

juni

juli

augustus

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, representing different climate zones. The map is centered on the Atlantic Ocean.

september

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, representing different climate zones. The map is centered on the Atlantic Ocean.

oktober

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, representing different climate zones. The map is centered on the Atlantic Ocean.

november

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow, representing different climate zones. The map is centered on the Atlantic Ocean.

december

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Maandag

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Dinsdag

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

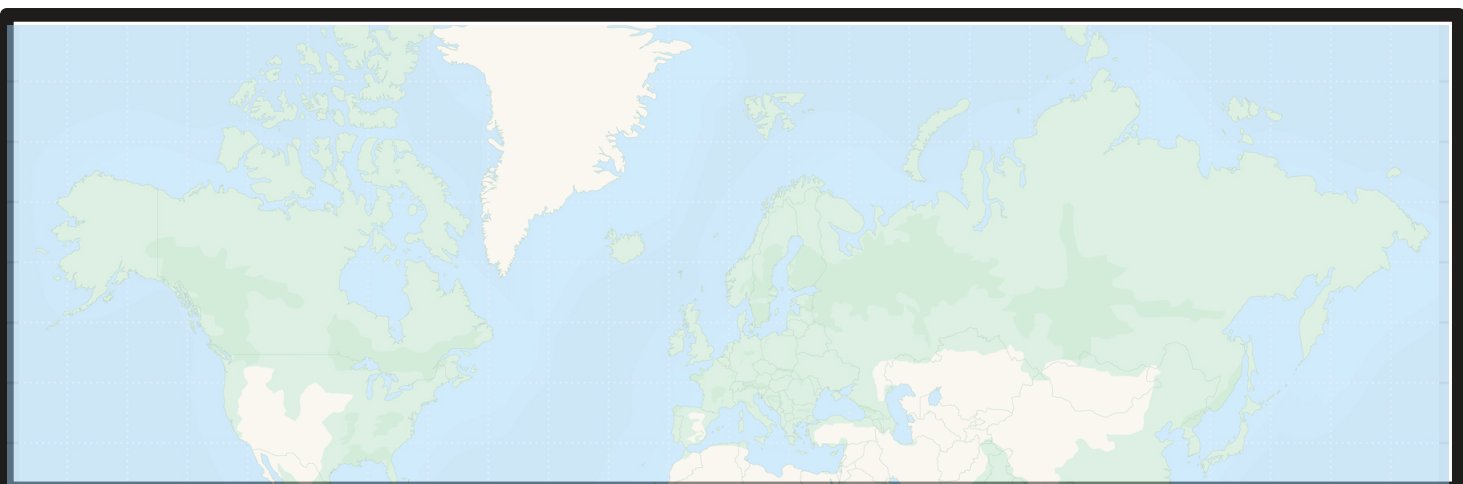

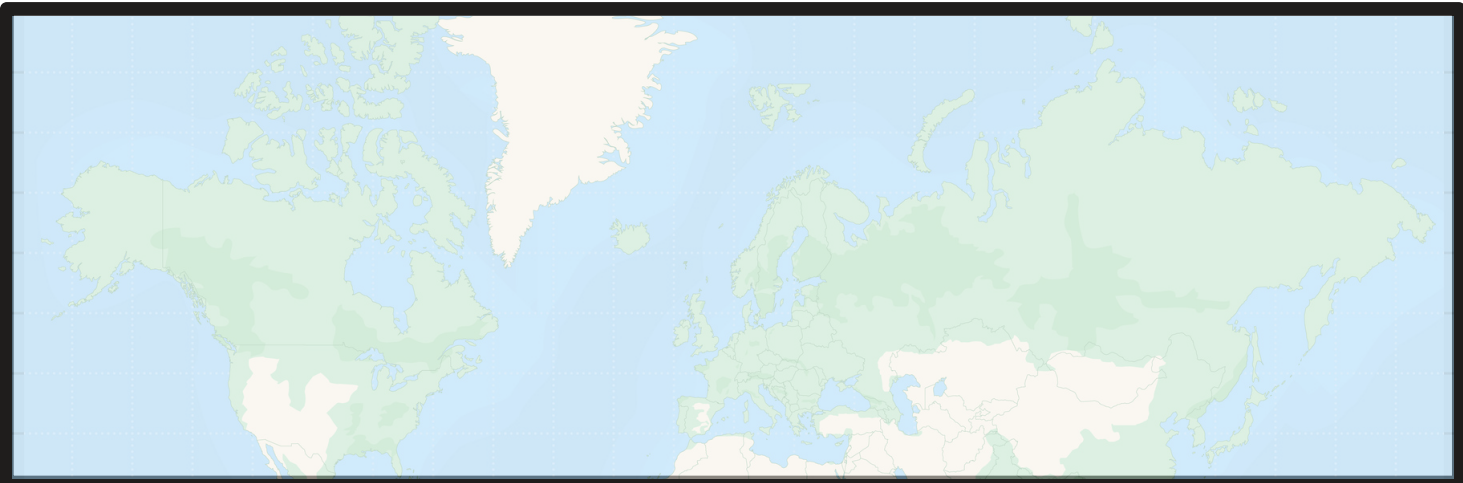

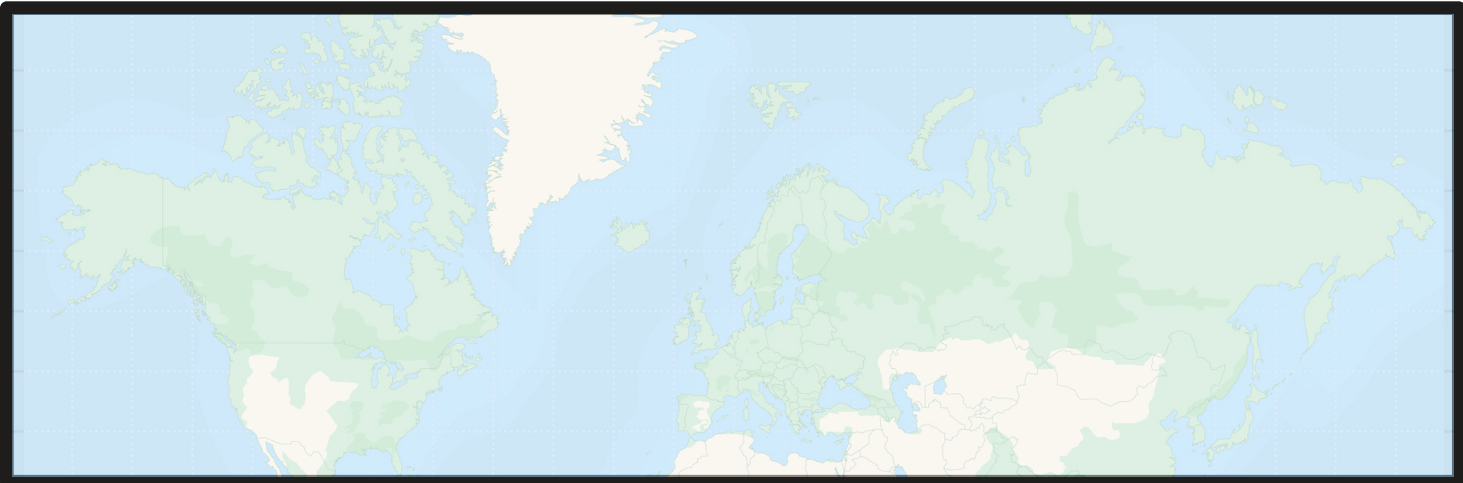

Woensdag

A world map with a light blue background and a grid of dashed lines. The landmasses are colored in shades of green and yellow. The map is centered on the Atlantic Ocean.

Donderdag

Vrijdag

Lente

A map of the Northern Hemisphere with a color-coded temperature gradient. The colors range from light yellow (warmer) to dark green (cooler). The word 'Lente' is centered over the North Atlantic. The map shows a clear seasonal pattern for spring, with the warmest temperatures (yellow) in the southernmost regions and the coolest (dark green) in the northernmost regions.

Zomer

A map of the Northern Hemisphere with a color-coded temperature gradient. The colors range from light yellow (warmer) to dark green (cooler). The word 'Zomer' is centered over the North Atlantic. The map shows a clear seasonal pattern for summer, with the warmest temperatures (yellow) in the southernmost regions and the coolest (dark green) in the northernmost regions.

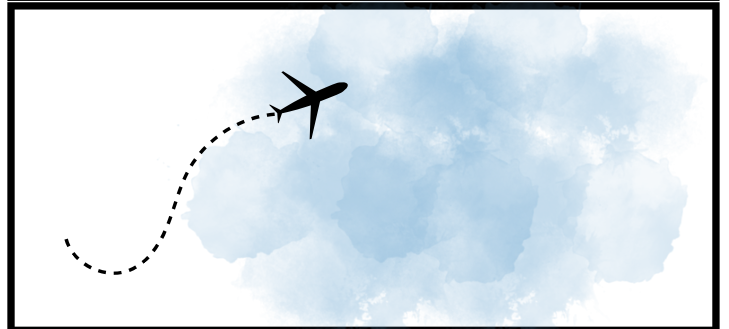

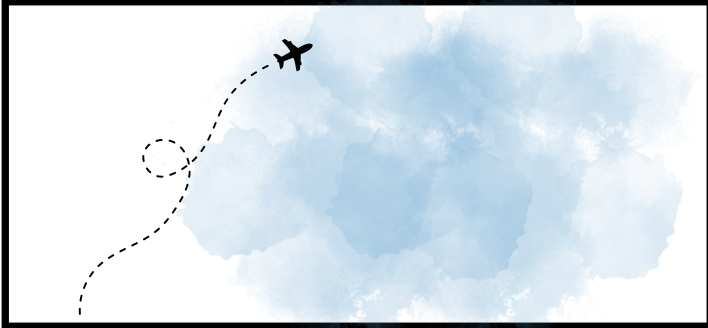

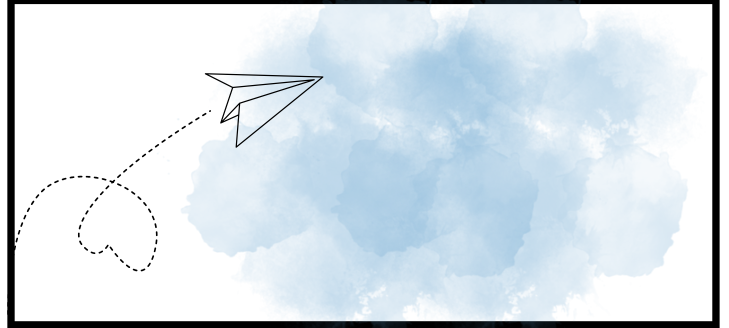

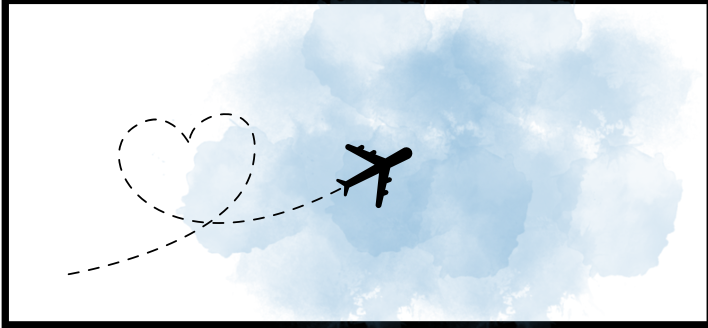

Herfst

A map of the Northern Hemisphere with a color-coded temperature gradient. The colors range from light yellow (warmer) to dark green (cooler). The word 'Herfst' is centered over the North Atlantic. The map shows a clear seasonal pattern for autumn, with the warmest temperatures (yellow) in the southernmost regions and the coolest (dark green) in the northernmost regions.

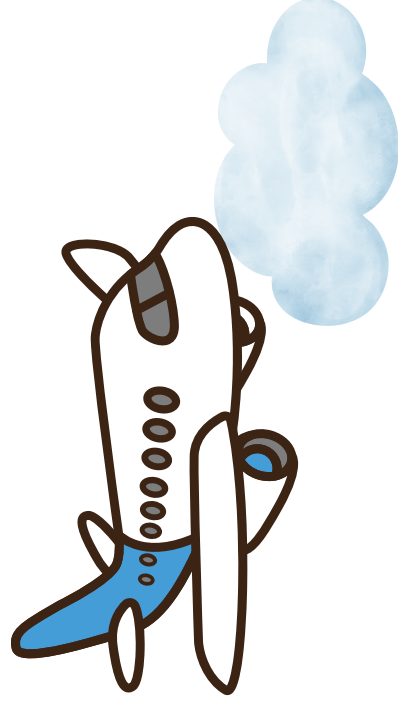

Winter

A map of the Northern Hemisphere with a color-coded temperature gradient. The colors range from light yellow (warmer) to dark green (cooler). The word 'Winter' is centered over the North Atlantic. The map shows a clear seasonal pattern for winter, with the warmest temperatures (yellow) in the southernmost regions and the coolest (dark green) in the northernmost regions.
